Scott and Travis PSH are a proud member and sponsor of the Homeless Action Network of Detroit – Detroit’s Continuum of Care (HAND). HUD funds Permanent Housing for Men at Scott & Travis Permanent Supportive Housing.

Men in Permanent Housing achieve personal goals because they are residentially stable. Each resident has access to staff 24/7/365. Men are encouraged to seek employment, continue their education and budget their money. These men live in a community with other men to re-gain their sense of self-worth and dignity.
